### **English V Summarizing The Boyfriend (Tara TrueLove)**

Main idea of the conversation is “Relationship of Barry and Tara”, where the presenter asked about Tara's first boyfriend “Barry”, and asked about Barry and how their relationship was. Tara said that Barry was tall and had a beard, and Barry was her first beard boyfriend. Barry is a traveller, and now he is in India. They have a serious relationship, but because they don't want to stop what they are doing, they finally decided to break up. But after breaking up they were still good friends. As President Jokowi said to Prabowo, *"Often, when riding a bicycle, the chain breaks. But believe me, the chain of our friendship will never be broken". :)*
